

3M™ Disposable Wrist Strap 2209

LBD-4
March 2, 2004

OPTION A

Front

Back

Maximum Imprint Area

2.25" Width x 1.5" Height

Minimum font size is 8.

Manufactured by 3M for Your Company Name .

INSTRUCTIONS

1. Unwrap 12" (30 cm) of the band and wrap adhesive side around your wrist.
2. Unroll rest of band and remove liner from copper tape.
3. Attach the copper tape to electrical ground or the metal frame of equipment you are servicing.

CAUTION: This product is not recommended for use on equipment with operating voltage exceeding 250 volts. The disposable wrist strap is for static control. It will not reduce or increase your risk of receiving electric shock when using or working on electrical equipment. Follow the same precautions you would use without the wrist strap, including:

1. Make certain that equipment having a grounding type plug is properly grounded.
2. Make certain that you are not in contact with grounded objects other than through the disposable wrist strap.

DO NOT INSTALL OR UNPACK COMPONENTS WITHOUT USING THE ENCLOSED WRIST STRAP.

Failure to use it properly can result in static electricity damage.

WARNING: A current limiting resistance is fabricated into the plastic ribbon below the wrist band. If it appears damaged, cut off or missing, discard wrist strap immediately and replace.

IMPORTANT NOTICE: Before utilizing the product, the user should determine the suitability of the product for its intended use. 3M expressly disclaims the implied warranties of merchantability or fitness for a particular purpose. In no case shall 3M be liable under any legal theory, including but not limited to negligence, contract or strict liability, for any direct, indirect, special, incidental or consequential damages resulting from product use.

Disposable Wrist Strap Bracelets antistatiques jetables Pulseras desechables 2209

INSTRUCTIONS

1. Unwrap 12" (30 cm) of the band end and wrap adhesive side around your wrist.
2. Unroll rest of strap and remove liner from copper tape.
3. Attach the copper tape to electrical ground or the metal frame of equipment you are servicing.

DIRECTIVES

1. Dérouler 30 cm (12 po) du bracelet à partir de l'extrémité et enrouler le côté adhésif autour du poignet.
2. Dérouler le reste du bracelet et retirer la doublure du ruban en cuivre.
3. Fixer le ruban en cuivre à la prise de terre ou au cadre métallique du matériel à réparer.

INSTRUCCIONES

1. Desenvuelva 30 cm (12 pulg.) del extremo de la cinta adhesiva y enrolle el lado adhesivo alrededor de su muñeca.
2. Desenrolle el resto de la correa y retire el recubrimiento de la cinta de cobre.
3. Una la cinta adhesiva de cobre a tierra eléctrica o al bastidor metálico del equipo al que está prestando servicio.

Back of Bag

CAUTION

This product is not recommended for use on equipment with operating voltage exceeding 250 volts. The 3M™ Disposable Wrist Strap 2209 is for static control. It will not reduce or increase your risk of receiving electric shock when using or working on electrical equipment. Follow the same precautions you would use without the wrist strap, including:

1. Make certain that equipment having a grounding type plug is properly grounded.
2. Make certain that you are not in contact with grounded objects other than through the disposable wrist strap.

NOTE: DO NOT INSTALL OR UNPACK COMPONENTS WITHOUT USING THE ENCLOSED WRIST STRAP.
Failure to use it properly can result in static electricity damage.

WARNING

A current limiting resistance is fabricated into the plastic ribbon below the wrist band. If it appears damaged, cut off or missing, discard wrist strap immediately and replace.

ATTENTION

Il n'est pas recommandé d'utiliser ce produit avec du matériel ayant une tension de fonctionnement de plus de 250 V. Le bracelet antistatique jetable 2209 3M est un dispositif de protection antistatique. Il ne diminue ni n'augmente les risques de chocs électriques en utilisant ou en réparant du matériel électrique. Suivre les mêmes précautions que si l'on ne porte pas de bracelet antistatique, notamment celles ci-dessous.

1. S'assurer que le matériel muni d'une prise de type mise à la terre est bien relié à la terre.
2. S'assurer de ne pas être en contact avec des objets mis à la terre autres que ceux qui passent par le bracelet antistatique jetable.

REMARQUE: NE PAS INSTALLER NI DÉBALLER LES COMPOSANTS SANS PORTER LE BRACELET ANTISTATIQUE CI-INCLUS. Le fait de ne pas l'utiliser adéquatement peut entraîner des dommages causés par l'électricité statique.

MISE EN GARDE

Une résistance de limitation du courant est intégrée au ruban en plastique situé sous le bracelet. Si elle paraît endommagée, coupée ou manquante, mettez le bracelet au rebut immédiatement et le remplacer.

PRECAUCIÓN

Este producto no se recomienda para usar en equipos con voltaje de funcionamiento que exceda los 250 V. La Pulsera desechable 3M 2209 es para control antistático. No reduce o incrementa su riesgo de recibir choque eléctrico al usarla o al trabajar en equipos eléctricos. Respete las mismas precauciones que usaría sin la pulsera, incluso:

1. Cerciórese de que el equipo que tenga un enchufe para conexión a tierra esté conectado a tierra adecuadamente.
2. Cerciórese de no estar en contacto con objetos conectados a tierra distintos a los que está conectado mediante la pulsera desechable.

NOTA: NO INSTALE O DESENVUELVIA COMPONENTES SIN USAR LA PULSERA INCLUIDA. No hacer lo adecuadamente puede dar por resultado daños por corriente estática.

ADVERTENCIA

Una resistencia limitadora de la corriente está construida dentro de la cinta plástica debajo de la pulsera. Si aparece dañada, cortada o faltante, deséche y reemplácela inmediatamente la pulsera.

IMPORTANT NOTICE: Before using this product, you must evaluate it and determine if it is suitable for your intended application. You assume all risks and liability associated with such use.

Warranty; Limited Remedy; Limited Liability.
This product will be free from defects in material and manufacture at the time of purchase. 3M MAKES NO OTHER WARRANTIES INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. If this product is defective within the warranty period stated above, your exclusive remedy shall be, at 3M's option, to replace or repair the 3M product or refund the purchase price of the 3M product. Except where prohibited by law, 3M will not be liable for any indirect, special, incidental or consequential loss or damage arising from this 3M product, regardless of the legal theory asserted.
