

Ratcheting and Manual Cable Cutters

RIDGID® Ratcheting and Manual Cable Cutters are have a light-weight and compact design and are made with the highest quality blades that offer maximum durability and longest lifetime.

Ratchet Cutters

- Unique ratchet mechanism provides easiest cuts
- Blade release to release blades at any point during cutting cycle
- Lock/unlock mechanism to secure tool when not in use

Manual Cutters

- Sickle-shaped, rounded blades assure precise cutting
- Robust design with impact resistant coated and hardened handles
- Soft grips for additional handle ergonomics

RIDGID® Ratchet Cutter Line
