#### **▲** WARNING!

These hearing protectors help reduce exposure to hazardous noise and other loud sounds. Misuse or failure to wear hearing protectors at all times that you are exposed to noise may result in hearing loss or injury. For proper use, see supervisor, User Instructions, or call 3M in U.S.A. at 1-800-243-4630. In Canada, call Technical Service at 1-800-267-4414. If there is any drainage from your ear or you have an ear infection, consult with your physician before wearing ear plugs. Failure to do so may result in hearing loss or injury.

\*NRR Footnote: Research suggests that many users will receive less noise reduction than indicated than indicated by the NRR due to variation in earplug fit, and wearing time. It is recommended that the NRR be reduced by 50% for estimating the average amount of noise reduction provided.

Leading the Advancement of Hearing Conservation™

# Tough on Noise, Easy on Ears

With today's louder lifestyles the challenge to encourage hearing protection compliance among younger workers is even greater.

3M™ Earplugs are hearing protectors with the next generation of workers in mind. They are available in bright colors and designs and they offer the same protection and quality you can expect from 3M.

The advanced materials and unique designs of 3M earplugs help provide in-ear comfort. They conform to the unique shape of each earcanal for noise reduction. Our exclusive push-to-fit style of earplugs makes fitting earplugs easy thanks to their no roll-down design.

Specify your request for 3M earplugs—NASCAR® Officially Licensed Hearing Protection.
